Disadvantaged and Low-income Community Maps

The map below identifies disadvantaged communities and low-income communities for the purposes of California Climate Investments.

- Disadvantaged Communities Census tracts in the top 25 percent of CalEnviroScreen 3.0 scores, plus those census
 tracts that score in the highest 5 percent of CalEnviroScreen's Pollution Burden without an overall CalEnviroScreen
 score.
- Low-income Communities Census tracts that are either at or below 80 percent of the statewide median income, or at or below the threshold designated as low-income by the California Department of Housing and Community Development's (HCD) 2016 State Income Limits.
- Low-income Buffer Regions Low-income communities as identified in (2) that are also within 1/2 mile of a disadvantaged community as identified in (1).

To see if a particular community is within a disadvantaged community or low-income community, either navigate to the desired location on the map, or search for the location in the search bar.
