Military Banner Program Guidelines

The City of Hesperia personalized military banner program was established by the Hesperia City Council in 2017. The purpose of the program is to recognize and honor our local military service members. Banners honoring our service members will be proudly displayed at various locations throughout Hesperia as a way for our community to express its appreciation and gratitude for their service to our country.

Eligibility

Banner candidates must be on active duty in one of the branches of the United States Armed Forces which includes Army, Navy, Air Force, Marine Corps and Coast Guard. In addition, the service member must be a resident of Hesperia or the applicant must be an immediate family member and a Hesperia resident, to include parent, spouse, grandparent, sibling, or child.

Proof of eligibility: To verify active military status, please visit the Department of Defense website at <https://scra.dmdc.osd.mil/> and submit a copy of the 'Single Record Request' active duty verification page with your application.

Verification of residency: copy of a driver's license or a recent utility bill in the name of the service member or applicant.

Photograph: An 8x10 (or larger) high resolution (300 dpi or better) color photo of the honored service member in uniform must be provided for insertion onto the banner. Photograph must be of good quality and will not be returned. Please do not send original photograph.

Limit of one banner per service member is allowed. Once the service member has been approved and honored through the program, they are not eligible to reapply. This allows for a multitude of service members to be honored throughout the life of the program.

Cost

There will be no cost to the honoree or the applicant for this program.
