Residential Addition / Alteration Plot Plan

Address:	9)ate:	
Name:		Permit No.:	

Draw a Plot Plan on this sheet which will indicate the size and location of the proposed attached addition or detached accessory structure to the Single Family Residence. The plan is to include: lot dimensions; street name(s); the distance from the property lines; septic system location; overhead or under-ground utility lines; existing or proposed swimming pools; existing accessory structures; the dimensions of the proposed addition or accessory structure; and a North arrow. Scale is not important; however the dimensions should be as accurate as possible.
